

ASSIGNMENT-2

IBM CLOUD DB2

Assignment Date	29 September 2022
Student Name	AKSHAYA.R
Student Roll Number	613019104008
Maximum Marks	2 Marks

Questions:

1. Create User table with user with email, username, roll number, password.

The screenshot displays the IBM Db2 on Cloud console interface. The top navigation bar includes tabs for 'Load Data', 'Load History', 'Tables', 'Views', 'Indexes', 'Aliases', 'MQTs', 'Sequences', and 'Application objects'. The 'Tables' tab is active, showing a list of tables. A table named 'STUDENTS' is selected, and its definition is displayed on the right. The table definition shows the following columns:

Name	Data type	Nullable	Length	Scale
USERNAME	CHAR	Y	5	0
ROLL NUMBER	INTEGER	Y		0
EMAIL ID	VARCHAR	Y	32	0
PASSWORD	VARCHAR	Y	32	0

The console also shows a search bar for 'Find schemas or tables' and a 'View data' button at the bottom right of the table definition panel. The bottom status bar indicates the user is logged in as 'ENG' on '10/19/2022' at '2:34 PM'.

2. Perform UPDATE,DELETE Queries with user table.

UPDATE TABLE:-

The screenshot shows the IBM Db2 on Cloud console. On the left, under 'Data objects', the database 'SQD80969' is selected. The main area shows an SQL script in a text editor with the following content:

```
1 INSERT INTO students values ('achu','03','achu@gmail.com','Achu@');
```

Below the script editor, the 'History' tab is active, displaying a table of executed scripts:

Script	Date	Status	Runtime
Untitled - 1	Oct 19, 2022 2:50:00 PM	✓ 1	0.014 s
INSERT INTO students values ('achu','03','achu@gmail.com','Achu@')		✓	0.014 s

The screenshot shows the IBM Db2 on Cloud console with the 'Tables' tab selected. The table 'SQD80969.STUDENTS' is displayed. The table structure and data are as follows:

USERNAME	ROLL NUMBER	EMAIL ID	PASSWORD
achu	3	achu@gmail.com	Achu@

DELETE TABLE:-

The screenshot shows the IBM Db2 on Cloud SQL editor interface. The left sidebar displays the 'Data objects' tab with a search bar and a list of objects, including 'SQD80969'. The main editor area shows a script with three lines of SQL:

```
1 INSERT INTO students values ('achu','03','achu@gmail.com','Achu@');
2 INSERT INTO students values ('will','04','will@gmail.com','will@');
3 DELETE FROM students WHERE USERNAME = 'achu';
```

The 'History' tab at the bottom shows a table of executed scripts:

Script	Date	Status	Runtime
Untitled - 1	Oct 19, 2022 2:54:44 PM	✓ 3	0.025 s
INSERT INTO students values ('achu','03','achu@gmail.com','Achu@')		✓	0.009 s
INSERT INTO students values ('will','04','will@gmail.com','will@')		✓	0.008 s
DELETE FROM students WHERE USERNAME = 'achu'		✓	0.008 s

The screenshot shows the IBM Db2 on Cloud SQL editor interface, displaying the 'STUDENTS' table data. The table has four columns: USERNAME, ROLL NUMBER, EMAIL ID, and PASSWORD. The data is as follows:

USERNAME	ROLL NUMBER	EMAIL ID	PASSWORD
will	4	will@gmail.com	will@

3.CONNECT PYTHON CODE TO DB2.

NOTE:- Question 4 contains Question 3 answer

4. Create a flask app with registration page, login page and welcome page. By default load the registration page once the user enters all the fields store the data in database and navigate to login page authenticate user username and password. If the user is valid show the welcome page

Answers

App.py

```

OUTPUT:- REGISTRATION PAGE:-

The screenshot shows a web browser window with the address bar displaying 'File | D:/REGFORM/Register.html'. The page has a blue gradient background. In the center, there is a white rounded rectangle containing the 'Register Form'. The form includes three input fields: the first contains 'Akshaya', the second contains 'akshayait2019@gmail.com', and the third is a password field with masked characters. Below the inputs is a blue 'Register' button. At the bottom of the form, it says 'Already have an account ? Please login [login!](#)'.

LOGIN PAGE:-

The screenshot shows a web browser window with the address bar displaying 'File | D:/REGFORM/Login.html'. The page has a blue gradient background. In the center, there is a white rounded rectangle containing the 'Login Form'. The form includes two input fields: the first is labeled 'Username' and contains 'akshayait2019@gmail.com', and the second is labeled 'Password' and contains masked characters with a toggle icon. Below the inputs is a blue 'Login' button. At the bottom of the form, it says 'Don't have an account yet? Click here to [register!](#)'.
